## WORK EXPERIENCE

### Software Developer Depronto Infotech Pvt. Ltd

06/2022 - Present

Achievements/Tasks

- At Depronto Infotech, I help my team lead, working collaboratively with my teams with doubts or handholding interns through their problems.
- I oversee the deployment of products using Adobe Experience Manager (AEM) and take charge of training newly onboarded members within our squad at Depronto Infotech.
- I leveraged my proficient skills in React and JS to develop and debug problems as well build new products for our clients.
- Collaborated closely with stakeholders, including product managers and designers, to understand project requirements, ensuring alignment and successful execution.
- Code reviews for new members and implemented best practices to optimize code quality, maintainability, and performance of our products.
- Acted as a mentor, providing guidance and support to junior team members, fostering their professional growth and development.
- Actively participated in continuous improvement initiatives, contributing to the enhancement of development processes, tools, and methodologies.

### Sales Support Executive Logicode Inc

06/2020 - 08/2021

Ahmedabad

Achievements/Tasks

- Drove sales and support initiatives through digital channels, maximizing customer engagement and driving revenue growth.
- Led and motivated a team to excel in sales and support, ensuring optimal performance and customer satisfaction.

### Inside Sales Executive infoAnalytica, Inc.

03/2019 - 03/2020

Ahmedabad

Achievements/Tasks

- Spearheaded sales and support efforts through digital channels, effectively driving customer engagement and revenue growth.
- Understood and solved the customer's Issue by providing solutions to the customer over chat or zoom call.
